***It is the responsibility of the consignor to notify Little Bird of change of contact number or address.**

We will attempt to sort items immediately, but during busier times this process may be delayed. Little Bird will donate items not accepted for consignment to a local charity unless otherwise notified at time of consignment. In that case, consignors will be notified of items to be picked up.

Items not picked up after 30 days of notification will be donated.

- All items being brought in should be clean, properly prepared, of a quality brand and in saleable condition.
- No stained, torn, wrinkled or damaged items are accepted, and all items must be free of odors.
- We accept fall and winter clothing from July 15th to December 15th, and spring and summer clothing will be accepted between January 1st and July 14th during regular business hours.
- **Little Bird has the right to refuse any item.**

The selling price will be determined by Little Bird. 40% of the final sale price of each item will go on the consignor's account.

All consignment items may be included in any of Little Bird's promotional or seasonal sales events. At the end of the season, any unsold seasonal items will be donated to a local charity or can be returned to the consignor if requested at the time of consignment. Due to lack of storage, unsold items must be picked up no later than 7 days after items have been pulled and consignor notified. Items not picked up will be donated to a local charity.
